TriCuret™  
Spinal  
Curettes

# GEISTER

New GEISTER TriCuret™ ...  
unique trio of materials with Radel® R PPSU (polyphosphorsulfone) handles, over-moulded with grey silicone rubber and with a choice of a black ceramic coated stainless steel or non-magnetic titanium working end.

- Innovative design
- Maximum comfort and superb grip
- Approx. 40gm lighter than conventional curettes
- Bayonet shaped design with straight, angled forward or backwards tips
- Withstands even most demanding sterilization environments
